WHAT IS CASA MAÑANA STUDIOS?

OUR HISTORY

In 1936, Amon G. Carter began making plans for the large amphitheater known as Casa Mañana. In 1958, Casa Mañana Theatre was completed as the famous aluminum-domed theatre known today. Arts programming was expanded in 1962 when Casa Mañana's Theatre School opened to train children in the performing arts. After more than 55 years in operation, Casa Mañana Studios is a nationally recognized program. The studio is listed first in regional theatre training programs for young performers by backstage.com. The studios operate year-round with fall and spring sessions, Camp Casa, Camp Casa Jr, and the Apprentice Program.

Casa Mañana Studios combines over a half century of educational theatre experience with the standards of a professional Equity theatre to give all students an opportunity to grow and learn within one of the most recognized theatres in the Southwest. Casa Mañana was first in theatrical training in the DFW area and remains a premiere program for young artists today.

CASA MAÑANA STUDIOS FAQ

(Got questions? We got answers.)

How can my child perform under the dome?

We get it. Casa Mañana has grown into the largest performing arts organization in Tarrant County. Today, the dome houses a very active professional performance schedule. Due to these time commitments, **not every educational opportunity available includes a full stage performance.** However, at CM Studios we strive to bring a bit of that theatre magic to everyone. Students can perform onstage with our Spotlight Series, Apprentice Program, and Camp Casa.

What is the All-Abilities Program?

This is a performance-based learning environment specifically for students with special care needs. Performers of all-abilities are given the tools and opportunity to learn, grow, and explore their talents.

What is the Apprentice Program?

Casa Mañana's critically acclaimed Apprentice Program is the most advanced musical theatre training for middle and high school students. This audition-based program connects students in grades 6-12 with professional teaching artists as well as an annual summer event featuring a fully produced musical. Students will receive special consideration in casting for Casa Mañana productions AND early access to masterclasses.

Can my child audition for Casa Mañana Broadway & TYA Shows?

YES! We want Casa kids onstage- only not every production is the right fit for our students. Casa Mañana is the largest Equity house in Tarrant County with a nationally recognized performance venue. Unlike smaller local theaters, Casa routinely casts professional talent from all over the United States to ensure the expected quality of our productions. This means there is considerable competition and commitment when casting youth performers. Casa Mañana also adheres to all Equity and professional union guidelines.

Why does CM Studios have so many hiatus weeks?

Hiatus weeks happen when a mainstage production is utilizing all space available within the studio. All curriculum and productions are scheduled with these breaks in mind. Your child will still receive a strong arts education.

Is there financial aid available?

YES! Casa Mañana Studios is happy to offer financial assistance to all families who want to participate in our classes and camps. **No student should have financial hardship stand in the way of a quality arts education.**
