THE 2025-2026 BETTY LYNN BUCKLEY AWARDS

CELEBRATING 26 YEARS OF EXCELLENCE IN HIGH SCHOOL THEATRE

INTRODUCTION

ABOUT US

Founded in 1958, Casa Mañana Theatre is the largest performing arts organization in Tarrant County and a cornerstone of Fort Worth's cultural community. Known as "The House of Tomorrow," Casa is dedicated to producing high-quality live theatre and inspiring the next generation of artists.

Each year, over 165,000 students and educators attend performances through our Children's Theatre, and our nationally recognized Casa Mañana Studios offers exceptional training for young performers. Programs include year-round classes, Camp Casa, private coaching, and our Apprentice Program — a pre-professional track with workshops led by industry professionals, including casting agents, directors, and college audition coaches.

Our education and outreach initiatives continue to grow, providing access to arts experiences for students across North Texas and helping young artists build confidence, discipline, and creativity.

HISTORY OF THE BETTY LYNN BUCKLEY AWARDS

Established in 2000, the Betty Lynn Buckley Awards honor excellence in high school musical theatre across North Texas. Named after Fort Worth native and Tony Award-winning actress Betty Lynn Buckley, a Casa Mañana and FWISD alumna, the program recognizes outstanding student performers, technicians, and educators.

What began as a local scholarship initiative has grown into one of the region's most respected theatre awards, now including schools from multiple surrounding counties. Each spring, nominees are celebrated in a live, Tony Awards-style ceremony, with opportunities for scholarships and professional recognition.

The Buckley Awards continue to spotlight the talent and dedication of high school theatre students while supporting the next generation of performing artists.

HOW IT WORKS

1. Register

High schools across North Texas are invited to register their full-length musical productions for participation in the Buckley Awards. Schools must meet eligibility guidelines and submit production details by the registration deadline.

2. Adjudication

Each registered production is evaluated by a panel of DFW's best theatre professionals. These experienced adjudicators attend performances and score them based on detailed rubric, covering categories such as acting, choreography, technical elements and overall production quality.

3. Awards

Based on adjudicator scores and feedback, nominees are selected in categories like Outstanding Lead Performer, Outstanding Supporting Performer, Technical Achievements, Best Play and Best Musical. Finalists are announced ahead of the ceremony.

4. Ceremony

Finalists are invited to perform at the annual Buckley Awards Ceremony, modeled after the Tony Awards. The event includes live performances, special guest appearances, and the announcement of winners in each category.

5. Scholarships

Students who win in select categories are eligible to receive a scholarship award of up to \$1000 to support their continued arts education or training.

Karen Snyder Pirzchalski Scholarship

Established in memory of longtime Casa Mañana supporter and board member Karen Snyder Pirzchalski, this endowed scholarship fund provides ongoing financial support for deserving students studying at Casa Mañana. Thanks to the generosity of her husband, Stan, Karen's legacy continues to uplift young performers for generations to come.

Bobbie Wygant Scholarship

The Bobbie Wygant Scholarship honors the remarkable legacy of Bobbie Wygant, a beloved figure in the entertainment industry and a steadfast supporter of the arts at Casa Mañana. Her lifelong dedication to storytelling and community inspires young artists to pursue their passions and make their own lasting impact. This endowed scholarship fund provides ongoing financial support for deserving students studying at Casa Mañana.

6. Workshops

Throughout the Buckley season, students can attend exclusive workshops led by industry professionals, covering topics like audition prep, vocal technique, choreography, and college audition prep and college theatre programs.

CASA MANANA MISSION STATEMENT

Casa Mañana strives to create, nurture, and advance live professional theatre unparalleled in artistic excellence for the enrichment and education of our diverse community and its future generations of artists and patrons.

PARTICIPATION ANNOUNCEMENT

Casa Mañana encourages all participating schools to announce their participation in the Betty Lynn Buckley Awards on social media sites, newsletter, websites and other materials produced by the schools and district.

OUR ADJUDICATION PROCESS

The Betty Lynn Buckley Awards are proud to feature some of the best and brightest theatre professionals in the DFW community as adjudicators. These experienced individuals are passionate about arts education and are committed to providing constructive, encouraging, and skill-building feedback to students and directors alike.

Each participating school will be assigned three adjudicators who will attend a live performance and submit evaluations using a standardized Buckley Awards rubric. Adjudicators also receive training through a mandatory orientation to ensure consistent scoring and thoughtful, respectful critiques.

We encourage all participants to remember that theatre is subjective, and feedback is meant to support growth, not discourage creativity. Adjudicators will also consider directors' notes, budget constraints, and any additional materials submitted to provide a well-rounded assessment.

Our goal is to celebrate student achievement while fostering continued development in performance, production, and collaboration.

ADJUDICATION PROCESS: STEP-BY-STEP

1. Assignment of Judges

Each participating production will be assigned three adjudicators.

2. Notification of Attendance

Schools will be notified of the adjudicators' arrival dates and times during the week of their performance.

3. Double-Cast Productions

If a show is double cast, the director must submit dates and times for only one cast to be adjudicated.

4. Conflict of Interest Policy

Adjudicators will not be assigned to evaluate a school or district where a conflict of interest exists.

5. Complimentary Tickets

Adjudicators will receive two complimentary tickets, which should be placed under “Buckley Adjudicator” at the box office.

6. Post-Show Feedback

Following the performance, each adjudicator will complete a detailed feedback form based on their observations.

7. Design & Stage Management Evaluation

- Design Categories are judged based on the production’s presentation, video submission, and design portfolio.
- Stage Management is adjudicated through a video submission and portfolio.

8. Scoring & Nomination Process

Adjudicators submit numerical scores along with their written feedback. These scores are compiled to determine nominees and winners.

9. Feedback Distribution

After the Buckley Awards Ceremony, the Buckley Coordinator will compile and send all adjudicator feedback to participating schools.
