WHAT IS CASA MAÑANA SCHOOL FOR MUSICAL THEATRE?

OUR HISTORY

In 1936, Amon G. Carter began making plans for the large amphitheater known Casa Mañana. In 1958, Casa Mañana Theatre was completed as the famous aluminum-domed theatre known today. Arts programming was expanded in 1962 when Casa Mañana's Theatre School opened to train children in the performing arts. After more than 55 years in operation, Casa Mañana School for Musical Theatre is a nationally recognized program. The studio is listed first in regional theatre training programs for young performers by backstage.com. The studios operate year-round with fall and spring sessions, Camp Casa, Camp Casa Jr, and Apprentice Program.

Casa Mañana School for Musical Theatre combines over a half century of educational theatre experience with the standards of a professional Equity theatre to give all students an opportunity to grow and learn within one of the most recognized theatres in the Southwest. Casa Mañana was first in theatrical training in the DFW area and remains a premiere program for young artists today.

CAMP CASA: HIGH SCHOOL 2026 AUDITIONS

(Trust us, you are going to SHINE!)

Auditions will be held on the first day of camp on **Monday, June 8**, all young performers will audition for a role in the production of *Grease, School Edition*. This is a low-stake process to determine student expectations, abilities, and ensemble building. **AUDITIONING IS A VITAL PART OF THE PERFORMANCE PROCESS!** That said, we understand stage fright can strike no matter the level of experience. Please know Camp Casa: High School strives to make this a fun experience, even for those campers who have never done it before! *And don't forget!* Everyone who is enrolled in the camp will perform in the show. So, relax and have fun — you've already been cast!

The Process

- The audition will be broken up into three parts: Acting, Singing and Dance.
- The acting portion will be cold reads from the script.
- For their singing audition, campers will be provided a song one week prior to the first day of camp.
- For their dance audition, campers will be provided a dance video one week prior to the first day of camp. The choreographer will also go over the dance before the audition begins.
- Please wear dance clothes to this audition. Closed-toe shoes are imperative. **NO SANDALS, CROCS, SLIP ON SHOES OR FLIP FLOPS.**

Helpful Audition Tips

- Familiarize yourself ahead of time with the show- even though there's a role for everyone at Camp Casa: High School! That said, casting a show is about building an ensemble. The size or name of a part isn't what's important, it's the team involved. A show works best when everyone works together.
- Wear something that flatters you and that you can move well in. Please do not dress in a costume or "Picture Day Best" as these items may not be the best option for the movement/dance portion of the audition.
- State your name loudly and clearly before you begin your audition. (This is called a "slate", or "slating" your name.)
- Be your best advocate! Let the production team know if something makes you uncomfortable, or there are elements you are unsure about. Auditionees can say "no" at any time. We still may ask you move or speak- just at the level you are comfortable with.

Casting

- We will announce the cast list no later than the second day of camp.
- Each camper will receive a copy of the script that is theirs to keep. Additional scripts are \$10. **Please remind your camper to bring their scripts with them to camp EVERY DAY!**

My camper didn't get the part they wanted, now what?

Hey, it happens. View it as a learning experience, and remember what you get out is what you put in. How much fun your camper will have during a performance isn't determined by their role but by their attitude. And there's always another show!

Please do not email the education staff or the directing team about casting. Please respect the decision of the directing team and the students who have been cast.

PICK UP/DROP OFF: ROUTE & PROCEDURES

For the safety of our campers, please adhere to these pick-up and drop-off procedures.

Drop-Off

- Please ignore Google Maps. Always enter from W. Lancaster Avenue into the parking lot.
- Drive through the main parking lot for drop off at the Rehearsal Studios behind the dome.
- Exit from Casa Mañana onto University Dr.
- You can return to the parking lot by exiting onto University and then turning back on Lancaster.
- Staff will be outside the studio/theater to direct students. You may park in the main parking lot and walk your student to the studio doors.
- **DO NOT EVER PARK IN ANY NAMED SPOTS, FIRE LINES OR IN FRONT OF THE STUDIOS** or on the left side of the street between the dome and rehearsal studio, as these are reserved for staff, or are fire lanes.

Pick-Up

- As we have many cars picking up at one time, we ask for your patience and that you please use caution. The pickup line is usually completed in 10-15 minutes.
- **Enter from W Lancaster Ave.** Turn immediately towards the **left side** of the parking lot and make two lines to enter the circle drive from the left side of the parking lot.
- You will receive dashboard name tags when you check in on Day 1. Please have them on your car every day.
- **Please exit onto University Drive.** Exiting cars should form 2 Lanes of traffic to turn LEFT or RIGHT onto University Dr.
- Parents and/or guardians are asked **to remain by their vehicles at all times** to help campers in/out of their car. A staff member will be waiting to receive campers as they are dropped off.
- If you would prefer not to use our carpool lane, we ask that you please park in the main parking lot to accompany your camper(s) to and from the door. This prevents us from blocking traffic and slowing down our carpool lane.

Thank you for your cooperation in helping to keep our campers SAFE!
